Dear Parents/Guardians,

After school tutorials are available each week using the following schedule:

Monday – Electives

Tuesday – Language Arts/Reading

Wednesday – Math

Thursday – Science/Social Studies

Students must have a signed parent permission slip in order to attend tutorials. Tutoring slips are available from your child's teacher. Verbal phone confirmation or parent email will not be accepted.

Academic Study Hall (ASH) is available for students who need to ride the late bus home. ASH begins at 3:00 pm and lasts until the late buses arrive, normally around 4:50 pm. Student guidelines for ASH are as follows:

- At the end of tutorials, teachers will escort students to the cafeteria. Students will not be permitted if they are alone.
- Students will sit at the table designated with their late bus number.
- Students must remain seated and quiet.
- Students will be allowed to use their cell phones as long as they have earbuds. Cell phone use without earbuds will not be permitted.
- Students misbehaving or not following the above guidelines will not be permitted to attend ASH.

We are pleased we can provide tutoring to help your child be more successful in school. Your commitment and support are critical to your child's success and safety. If you have any questions, please call 281-856-1129.

Sincerely,

Amy Rincon
Director of Instruction
